ARE FISH PRESENT IN POND? _____

If yes, what species: _____

The undersigned agrees to the following:

- The landowner retains full rights to control access to their land, but fishing is subject to Iowa Department of Natural Resources Fishing Regulations.
- To make a fall and summer trip to obtain fish. You will be notified approximately 10 days prior to delivery as to when, where and what to bring to pick up fish.
- To stock all fish provided by the Iowa Department of Natural Resources, and no others during the initial stocking period except those approved by the department.
- Livestock are, and will continue to be, excluded from the impoundment area.
- To the best of my knowledge, no undesirable fish are now present in the impoundment that would ultimately cause the failure of sustainable stocked fish populations.
